Service Scholarship

An opportunity for worthy students to earn part of their way through college is offered by the Service Scholarship. If the person interested can furnish us with sufficient evidence that she cannot pay the regular amount required per semester for board, room, and tuition ($225.00), we shall consider the granting of a service scholarship which implies a reduction in the above mentioned amount to the extent of $100.00. To this is attached the condition that the beneficiary will render service at the college as directed by the management.
