TAUGHT: Chemistry

STRIVED TO: Pay attention to all students.

REMEMBERED AS: Intellectual, serious, dynamic and funny. Also as a "woman of her word."

THE PASSWORD IS?: Once locked out a student who was chronically late to class. The student arrived on time every day afterward.

SPECIAL GIFT: Gave graduating chemistry majors a handkerchief trimmed by hand with tatting, which some students still have today!

DIED: Oct. 22, 2007 at 105! She was a member of the congregation for 87 years.
