ARRIVED: 1933 from Cleveland, wanting to become a Franciscan sister.

STUDENT BY DAY: She studied nursing and earned her RN.

CAREGIVER BY NIGHT: She often was found in the infirmary taking care of the sick sisters.

RECORD SETTING: Helped develop the Council on Social Service for Catholic schools, which collected students' cumulative health records.

IN DEMAND: She traveled to her home parish in Ohio, then Notre Dame and later Loyola University to initiate the collection of cumulative health records.

GROWING ILL: Contracted spinal meningitis and was near death, but miraculously survived.

ON EAGLE'S WINGS: She went to be with our Lord on March 7, 2006.
