CAREER: Was an assistant librarian at St. Francis in the ‘60s.

BOOK BUSINESS: Worked primarily in cataloging, typing the cards for the card catalog.

THE BIG MOVE: Spent countless hours preparing for the move into the new library and even got a helping hand from Bishop Blanchette.

FUNNY TIMING: The move occurred in the winter and they had to test the air conditioning on a freezing day.

IN THE CLASSROOM: Recalls a particularly impressionable bulletin board in Sr. Rose Agnes’ classroom that read: “To Know the Scripture is to Know Jesus.”
